News

No news of more importance to you is printed in this paper than the live, quick offers here in the Market Place of the Munnimakers. News columns can only tell you about opportunities that other people have seized, and about what other people have done. But here you are reading about what you can do right now. Other parts of the paper tell about other people's profits. This part of the paper tells about your profit. News columns tell you what has happened. But if you see it in the Classified columns you can make it happen. There is more advantage for you in this page than in all the news pages put together.

Resolved, that the members of this onference and those who may hereafter become such, be, and they here constituted a permanent organization under the name of "The Democratic League" and that the pres nt executive committee be continued office until otherwise ordered by he general committee hereafter pro-

Cady Herrick of Albany, ex-Justice Augustus Vanwick and John Sayles of Buffalo. Mr. Shepard, on taking the chair as permanent chairman, said;

"We are not met to propose a new party organization or to condemn our own party, whatever its shortcomings. We are met instead as men who, because we are Democrats in political faith would by preference always be Democrats at the polls and to that end wish our party always to be honest, efficient and successful ments of good government
